Letter of Guaranty

Jun 2, 2022

This Letter of Guaranty certifies that ***AC-500*** is safe for its intended use as a Liquid Heavy Duty Acid Cleaner.

Rochester Midland Corporation, with headquarters located at 155 Paragon Drive, Rochester, NY 14624 USA, and branches in principal cities, guarantees that the above-mentioned product is safe and suitable when it is used according to its label.

AC-500 meets the criteria of a USDA category **A3***: Acid cleaner for use in all departments.*

> Before using this product, food products and packaging materials must be removed from the room or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.

When using cleaning compounds in food processing areas, read and follow label directions for use carefully.

AC-500 has been previously approved by the USDA for use in Federally Inspected Meat and Poultry Plants.

Rochester Midland Corporation will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Sincerely,

Michael Sears
EH&S Department
