Enviro Care® Sudsation Premium

Dish Detergent

Enviro Care® Sudsation Premium

Where to Use

Enviro Care Sudsation Premium is a foaming pot and pan cleaner, mild on skin but tough on soils. Ideal for use in school cafeterias, healthcare facilities, nursing homes, day care centers, supermarkets, and restaurants.

Benefits

- High foaming
- Free rinsing
- Film-free
- Hard water tolerant

Dilution Ratios

Pre-rinse. Dilute (1:512 to 1:128) 1/4 oz-1 oz per gallon/7.5 ml-30ml per 3.8 litres of warm water for washing pots, pans, tableware, utensils, and glasses.

Potable water rinse required on food contact surfaces.

Directions for Use

Fill basin or sink with potable water while adding recommended product.
