

Letter of Guaranty

This Letter of Guaranty certifies that ***Envirocare Neutral Disinfectant*** is safe for its intended use as a Germicidal Detergent and Deodorant.

Rochester Midland Corporation, with headquarters located at 155 Paragon Drive, Rochester, NY 14624 USA, and branches in principal cities, guarantees that the above-mentioned product is safe and suitable when it is used according to its label.

Envirocare Neutral Disinfectant meets the criteria of a USDA category **C1: Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas.**

These compounds must not be used to mask odors resulting from insanitary conditions. They must be used in a manner which prevents penetration of any characteristic odor or fragrance into edible product areas. Permission to use this product on loading docks and other similar areas is left to the discretion of the Inspector-in-Charge of the plants.

When using cleaning compounds in food processing areas, read and follow label directions for use carefully.

Envirocare Neutral Disinfectant can be used in Federally Inspected Meat and Poultry Plants.

Rochester Midland Corporation will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael L. Sears", is written over a light gray circular stamp.
