

Letter of Guaranty

This Letter of Guaranty certifies that ***Quat Plus TB*** is safe for its intended use as a general non-acid cleaner and disinfectant. (US EPA reg. # 1839-83-527)

Rochester Midland Corporation, with headquarters located at 155 Paragon Drive, Rochester, NY 14624 USA, and branches in principal cities, guarantees that the above-mentioned product is safe and suitable when it is used according to its label.

Quat Plus TB meets the criteria of a USDA category **C1: Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas.**

These compounds must not be used to mask odors resulting from insanitary conditions. They must be used in a manner that prevents penetration of any characteristic odor or fragrance into edible product areas. Compounds containing isomers of dichlorobenzene or other substances toxic by inhalation, may be only used in areas where there is adequate ventilation to prevent accumulation of hazardous vapors.

Permission to use this product on loading docks or other similar areas is left to the discretion of the Inspectors in Charge of the plants.

Quat Plus TB has been previously tested and approved by the USDA for use in Federally Inspected Meat and Poultry Plants.

Rochester Midland Corporation will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael L. Sears", is written over a light blue horizontal line.

Michael Sears
